PERTH T1 DOMESTIC TERMINAL

Virgin Australia's new T1 Domestic Terminal opens in Perth on 22 November 2015.
All Virgin Australia flights that previously operated from T3 will relocate to T1 Domestic.

A city on the move deserves an airline to match
Our new state-of-the-art T1 Domestic Terminal in Perth opens on
Sunday 22 November. All Virgin Australia flights that previously
operated from T3 will be located at T1 Domestic.

A new check-in experience
Guests will fly through check-in with our enhanced check-in experience
and a new Self Bag Drop service. Whichever check-in option your
guests choose, our friendly Virgin Australia staff will be right by their
side to make sure their check-in experience is as fast and effortless as
possible.

Transfer seamlessly
All regional, domestic and international Virgin Australia flights are now
located together at the T1/T2 airport precinct. Connecting flights are
only a short distance apart making transfers more seamless than ever.
