LEARN A

LANGUAGE

Reasons to learn a language: New skills, new friends and new travel stories. Plus, it looks great on a CV.

ACCOMMODATION

We offer a fantastic variety of accommodation options, all dependent on how you want to spend your time. Choose from self-catered or shared apartments and family homestays.

COURSES

If you're keen to brush up on your language skills in a short space of time, jump on one of our intensive courses. Alternatively, choose a standard course to learn at a more leisurely pace.

LEARN SPANISH IN MADRID

Madrid is packed with fantastic art galleries, amazing restaurants and funky tapas bars. So there's your lunch hour taken care of! But the streets truly come alive after sundown, with live music and heaving bars lining the streets. So if you want to study by day and party by night, Madrid is your place.

Start date: Selected Mondays (arrive Sunday) Duration: 1-48 weeks Location: Madrid, Spain Accommodation: Homestay or shared apartment Meals: Half board or self-catering Min Age: 17 Class Size: 6-9 students

LEARN ENGLISH IN LONDON

Home to age-old history, royal palaces, open-air Shakespeare plays and more pubs than you'll know what to do with, you'll be hard pressed to find a greater place to learn the English language than London. Spend your days grasping the basics then head out to one of the city's boroughs to practise your skills.

Start date: Mondays (arrive Sunday) Duration: 1-48 weeks Location: London, UK Accommodation: Homestay or shared apartment Meals: Half board Min Age: 16 Class Size: 8-10 students

LEARN MANDARIN IN BEIJING OR SHANGHAI

Learn Mandarin in one of the two most fascinating cities in China. Beijing has ultra-modern skyscrapers, bags of history, the Olympic Village, a lively cultural scene and that big ol' wall. Shanghai, on the other hand, is China's trendiest and most fashion forward city and a world leader in the latest technology.

Start Date: Selected Mondays (arrive Sunday) Duration: 2-52 weeks Location: Shanghai or Beijing, China Accommodation: Homestay Meals: Half board Min Age: 18 Class Size: 6-12 students

Learn Arabic, Dutch, French, German, Italian, Portuguese, Russian, Japanese, Korean, Turkish and more in over 260 schools worldwide.

OUR ADVICE

- Getting to basic grips with a language will take at least two weeks of intensive study and practice; becoming fluent will take longer.
- Ensure you grab every social opportunity to practice speaking and reading - restaurants, museums, the local bar...
- Live with a local family where possible to fully immerse yourself in the language. There's no better way to improve your skills.
- Practise a little each day, rather than a long spell once or twice a week. You will retain a lot more information over time.
- Extend your stay and add on a local course such as tango lessons. The social interaction will improve your speech. And also, it's fun!
